

# Decoding<sup>the</sup> Code

An online program in Catholic ethics  
for the health and aged care sector

## Date

**Wednesday 24 March 2021**

Online coursework over a number of weeks.  
This introductory seminar will be offered online only.

## Who will benefit?

Organisational and clinical leaders, executives  
and other mission leaders and staff

## Why attend?

To enhance knowledge, practice and confidence in  
applying the principles of Catholic ethics  
to the ministry of health and aged care.

## Registration

Register online here:  
[www.bbi.catholic.edu.au/Ethics](http://www.bbi.catholic.edu.au/Ethics)

## What you will learn

- competence in identifying effective processes for resolving ethical problems;
- confidence in applying the CHA Code of Ethical Standards;
- a deeper appreciation of the Catholic ethical vision and its core principles;
- an understanding of the nature of ethics and ethical problems;
- an ability to analyse and respond to specific cases especially those most common in Catholic health and aged care;
- access to resources to assist in addressing ongoing ethical challenges.

## About the Course

The eight-session course will:

- be based on the principles of adult learning and best practice online pedagogy;
- incorporate multi-media content from experts around Australia;
- integrate ethical principles via case studies and the day-to-day experience of participants;
- support ethical practice in both the clinical and wider organisational environment;
- foster reflective practice;
- require approximately two hours per session to complete (around 16 hours total);
- be uploaded fortnightly over a four month period;
- offer access to feedback and group learning via a tutor and online learning community.

## Facilitated by

**David Carter**

Dr David Carter, is a Senior Lecturer in Law in the Faculty of Law at the University of Technology Sydney where he is also a National Health and Medical Research Council Early Career Fellow. His research, writing and teaching centres on legal and regulatory challenges in the governance and delivery of safe, effective, and sustainable healthcare services. David currently undertaking doctoral research on the theology of infectious disease at UD.

David previously worked as a health services manager of rural and remote primary care services, private hospitals and as a consultant to a range of healthcare practitioners and organisations. He currently serves on the board of a number of health-related not for profit agencies, including the HIV/AIDS Legal Centre, and is a member of the NSW Health South East Sydney Local Health District Human Research Ethics Committee as well as the Ramsay Health NSW | VIC Human Research Ethics Committee. He regularly assists Catholic healthcare providers as they face challenges at the intersection of law, bioethics and health services provision.
